he/him

SUMMARY

Composer, sound designer, and educator seeking professional and teaching opportunities in composition and sound design.

RESEARCH INTERESTS

Advancing best practices in theatrical sound design to enhance audience experience.

Development of new theatrical work through collaborative cross-disciplinary creative teams.

Composition and sound design using hardware and software synthesizers and performance-based signal processing software.

Design and development of non-traditional digital music input devices and controllers.

Composition and arranging techniques for orchestra and Western music ensembles.

Location based sound art installation.

Media consumption and audience relationships to music, technology, and popular culture.

EDUCATION

University of California, Irvine - Irvine, CA

Master of Fine Arts in Sound Design, expected June 2026

Arizona State University - Tempe, AZ

Bachelor of Arts in Theatre, Cum Laude, May 2010

Focus on Theatre Design/Production, Music

PROFESSIONAL EXPERIENCE

Composer, Freelance. 2006 - Present

Composed and arranged unique, genre-blending music for theatrical productions, film scores, streaming media, live performance, and installation. Collaborated with directors and producers, presented music research, and facilitated conversations about music style, aesthetic, period, and emotion. Mixed and mastered original music for live playback and publication.

Sound Designer, Freelance. 2006 - Present

Designed Off-Broadway and Regionally on more than 250 theatrical productions to date. Versatility designed and optimized sound systems for a variety of spaces ranging from 50 seat storefronts to 1,000 seat auditoriums to 4,000 seat amphitheaters. Created and mixed soundscapes and sound effects for live performances, film, streaming media, and installation.

Recording and Post-Production Engineer, Freelance. 2006 - Present

Recorded dialogue, foley, and music in studio and on location. Edited and mixed audio for film and commercial music releases.

Assistant Production Manager, Grant Park Music Festival - Chicago, IL. June 2018 - Aug 2018 (Seasonal)

Supervised production staff and coordinated daily schedules of rehearsals, performances, and special off-site events for the Grant Park Symphony Orchestra. Oversaw logistics and execution of live performances at 12 venues around the city, including Pritzker Pavilion in Millennium Park.

Project Manager & Event Coordinator, Arizona State University - Tempe, AZ. Aug 2010 - May 2011

Developed and managed live events for ASU's School of Music. Oversaw production budgets and coordinated technical needs with rental companies and venues. Supervised production crews and talent. Projects include "Lazy-B Cabaret," a fundraiser for the Sandra Day O'Connor Institute, and the annual "Music Under the Stars," outdoor music concert series.

Resident Sound Designer, Arizona State University - Tempe, AZ. Aug 2006 - May 2011

Designed, installed, and maintained the sound system for the 500-seat Evelyn Smith Music Theatre. Designed and mixed sound for nearly two dozen musicals and operas produced by ASU's Lyric Opera Theatre program.

Production Technician, ASU Gammage Auditorium - Tempe, AZ. May 2006 - May 2011

Served as audio engineer for live events at Gammage Auditorium and Kerr Cultural Center. Assisted IATSE union crews with load-in and load-out of Broadway tours. Served as recording engineer for ASU Symphony Orchestra and Tempe Symphony Orchestra.
